The expression 'Matriculation Certificate' in this part of the instructions must be understood as including these alternative certificates.

Candidates will thus understand that the Matriculation Certificate is required in all cases as evidence of age, and it must invariably be sent to the Commission, in original, with a copy thereof, together with the application.

Sometimes the Matriculation or equivalent Certificate does not show the date of birth, or only shows the age by completed years or completed years and months. In such cases a candidate must send, in addition to the matriculation or equivalent certificate, an original certificate, together with a copy thereof, from the Headmaster/Principal of the institution from where he passed the Matriculation or equivalent examination, showing the date of his birth or his exact age as recorded in the admission Register of the Institution.

Candidates are warned that unless complete proof of age as laid down in these instructions is sent with an application, the application may be rejected. Further, they are warned that if the date of birth stated in the application is inconsistent with the age shown in the Matriculation Certificate and no explanation is offered, the application may be rejected.

**NOTE 1** —A candidate who holds a completed Secondary School Leaving Certificate need submit with the original a copy of only the page containing entries relating to age.

**NOTE 2** —CANDIDATES SHOULD NOTE THAT ONCE A DATE OF BIRTH HAS BEEN CLAIMED AND ACCEPTED BY THE COMMISSION FOR THE PURPOSE OF ADMISSION TO AN EXAMINATION, NO CHANGE WILL ORDINARILY BE ALLOWED AT A SUBSEQUENT EXAMINATION.

(iii) *Certificate of Educational Qualification* —A candidate must submit a certificate or diploma, in original, with a copy thereof, showing that he has one of the qualifications prescribed in paragraph 8 of the Notification. The certificate submitted must be one issued by the authority (*i.e.*, University or other examining body) awarding the particular qualification. If such a certificate or diploma is not submitted, the candidate must explain its absence and submit such other evidence, in original, as he can to support his claim to the requisite qualifications. The Commission will consider this evidence on its merits but do not bind themselves to accept it as sufficient.

**NOTE:** —A candidate who has appeared at an examination the passing of which would render him eligible to appear at this examination but has not been informed of the result, or who intends to appear at such a qualifying examination, may apply for admission to this examination but he must submit a certificate in the form prescribed below from the Principal of the College/Institution concerned. Such a candidate will be admitted to this examination, if otherwise eligible, but the admission would be deemed to be provisional and subject to cancellation if he does not produce proof of having passed the examination, as soon as possible, and in any case not later than 1st December, 1966. Such a candidate is required to submit the proof of passing the qualifying examination by the above date, whether he qualifies or not at the written part of this examination. If he fails to comply with this instruction, his candidature will be cancelled and he will not be entitled to know his result.
